EUCON International School of Saipan

*Students First Teaching is  
My Pleasure*

Dear Prospective ESL Students and Group Leaders:

EUCON International School is a private Christian school located in the Gualo Rai community of Saipan—just a short walk away from the Pacific Ocean. We invite you to study English as a Second Language (ESL) on our campus. We offer small class size (less than 15 students per classroom) during the summer (June, July, and August) and winter (December and January) months. Classes are offered at different levels of English proficiency and are available for all ages (at least 6 years old and above) according to the level of the individual. Upon enrollment, students are level-tested as “beginner,” “intermediate,” or “advanced.” Subjects taught include reading, writing, grammar, vocabulary, spelling, conversation, listening, speech and storytelling. Our focus is on training students in conversation, listening, and American-English pronunciation. Students begin and end each 6-hour school day with an assembly which offers exciting activities such as singing, games, Bible stories, and reciting tongue-twisters, Bible-based phrases (catechisms) and Bible verses. In addition, our ESL students receive character training and learn Biblical principles throughout each day. Courses are offered Monday through Friday from 8:00 in the morning until 2:00 in the afternoon. While not attending class, students and group leaders are encouraged to participate in a wide variety of outdoor recreational activities unique to the Northern Mariana Islands. As well, all ESL students and group leaders are cordially invited to attend Sunday and Wednesday evening English worship services with Christian Bible Church in Agape Auditorium on our campus.

Thank you for your interest in our program,

W. Daniel Bacon  
ESL Coordinator, EUCON International School
